Project Name	Rising Waters
Maximum Marks	1 Mark

Team Involvement in Demonstration:

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation (Active / Passive)
1	Bhagya Lakshmi Narapareddy	Project Presenter & Coordinator	Project Introduction, Problem Statement, Conclusion	Coordinated the team, explained the project objectives, architecture, and overall workflow, and handled the final Q&A session.	Active
2	Bhagya Lakshmi Narapareddy	Machine Learning Developer	Dataset, Model Training & Prediction	Explained dataset preparation, feature selection, Machine Learning algorithms, model training, and prediction process.	Active
3	Bhagya Lakshmi Narapareddy	Frontend Developer	Web Application Demonstration	Demonstrated the Flask web application, user interface, input forms, and prediction result page.	Active
4	Bhagya Lakshmi Narapareddy	Data Processing Member	Data Collection & Preprocessing	Explained data collection, preprocessing, feature engineering, and data preparation for model training.	Active
5	Bhagya Lakshmi Narapareddy	Testing & Validation Member	Testing, Validation & Future Scope	Demonstrated application testing, model validation, performance evaluation, limitations, and Future enhancements.	Active

Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	
Overall Team Coordination Rating (1-5)	5 / 5
Any issues during demo	Minor prediction input validation and presentation timing adjustments during rehearsal.
How issues were resolved	The team verified test cases, synchronized presentation flow, assigned clear speaking responsibilities, and completed a full demo rehearsal before the final presentation.

Overall Demonstration Summary

- Every team member presented their assigned module.
- The demonstration covered the complete workflow, from data preprocessing and model training to live flood prediction using the Flask application.
- Team members answered technical questions related to their respective modules, ensuring balanced participation and effective coordination throughout the presentation.
